Cut corners on the New Zebra Tractors

The Zebra Tractor Model 2522 is a real tractor scaled down in size, but not in power. Its 25 HP 2 cylinder engine like its big brother the 3522, handles chores a traditional full-size 2 wheel drive tractor handles. For a fraction of the cost. In a fraction of the space.

Zebra tractor model 3522 delivers 35 HP with its 3 cylinder, 143 cu. in. diesel, water-cooled, wet sleeve engine. No toy, this rugged tractor only drives like a sports car.

The 45 HP model 4522 is the Big-boy of the Zebra line of tractors. If the 2522 and 3522 ride like convertibles the 4522 is like a chauffeured limousine, with you at the wheel. So dress for the part, the neighbors are watching.

All Zebra compact tractors are sold and serviced by Zetor Tractors a division of American Jawa, Ltd

What a spunky little work horse!
