County Agent III - Burlington County, New Jersey, Rutgers Cooperative Extensions, Rutgers - The State University, New Brunswick, NJ

Twelve month, tenure track, assistant professor (County Agent III). (100% Extension). Master's degree in agriculture (weed science, agronomy) or related field and three years relevant full time experience required. Bachelor's degree in agriculture. Knowledge of grain marketing and familiarity with common field crop herbicides. Demonstrated effective inter-personal verbal and written communication skills, computer literacy, experimental design and analysis.

Plan, conduct, and evaluate an extension educational program in all aspects of commercial field crop production and marketing in Burlington County, NJ. Cooperate and coordinate with agents in other counties the delivery of a regional program in commercial field crop production in Salem, Cumberland, Camden, and Gloucester Counties. Maintain knowledge of livestock programs in Burlington County where major responsibility belongs to area agent from nearby county. Conduct applied research projects, including variety trials for traditional field crops as well as promising new crop species and weed control. Establish an outstanding program the merits of which will lead to regional and/or national recognition.

Salary commensurate with education and experience.

Position available immediately. Send letter of application, curriculum vitae and names and addresses of three professional references to: Bruce M. Barbour, Chair, Department of Agricultural & Resource Management Agents, PO Box 231, Cook College, 111 Martin Hall, New Brunswick, NJ 08903-0231.

Applications will be accepted until January 5, 1996 or until a suitable applicant is identified.

Rutgers University is an Affirmative Action Equal Opportunity Employer.
