MUELLER
 DAIRY FARM EQUIPMENT
Scroll-Compressor Technology
 New in 1994
 You may pay less for some dairy farm equipment... but it can cost you more!
 Equipment cost is not the only cost of cooling milk.
 In the long run, total operating costs of a Mueller' milk-cooling system are generally substantially less than those of "bargain-brand" milk-cooling equipment.
 Contact your Mueller distributor for further comparisons.

Example	Mueller	Competition
Cost of equipment	\$31,000	\$28,000
Cost of electricity @ .08 kW for 12,000 lbs milk day for 10 years	\$17,550	\$22,850
Total operating cost for ten years	\$48,550	\$50,850
Savings	\$ 2,300
