

ADC Elects Directors

SOUTHAMPTON (Bucks Co.) — Atlantic Dairy Cooperative members this fall elected one new director and re-elected six directors, it was announced at the cooperative's 78th annual meeting.

New to Atlantic's board is Scott J. Kreider of Quarryville. Kreider replaces Robert B. McSparran of Peach Bottom, who served on the board of directors since 1966 and as president for the past 15 years.

Kreider will represent the cooperative's members in District 3, which includes southern Lancaster County and parts of York County. Kreider farms in a family corporation with his father, Allen R., uncle Samuel H. and cousin Herbert S. Kreider. They milk 200 Holstein cows and farm 520 acres, of which they own 450 acres.

Kreider is a member of Mechanic Grove Church of the Brethren. He is chairman of the East Drumore Township Planning Commission and is assistant manager of the Solanco Fair. He and his wife, Vickie, have four children — Nathan, Laurie, Amy and Ellis.

Re-elected to Atlantic's 23-member board of directors were H. Wallace Cook Jr., Newark, Del.; Rhelda E. Royer, Lancaster; Thomas W. Powel, Union Bridge, Md.; Charles E. Schilling, Petersburg; L. Elmer Vickers, Kearneysville, W. Va.; and David N. Noss, Port Royal.

H. Wallace Cook Jr. is serving his second term as a director of Atlantic's District 4, which covers the state of Delaware. He and his wife, Martha, farm in partnership with their sons, Herman W. III and Stephen E. Cook. They farm a total of 986 acres and milk 125 Holstein cows.

Rhelda E. Royer, director of District 7, represents members in Lancaster, Lebanon and Dauphin counties. She and her son, Lynn, milk 71 Holstein cows and farm more than 200 acres. This is Royer's third term on Atlantic's board.

Thomas W. Powel was elected to his second term, serving members in District 10, which includes the state of Maryland. Powel farms with his sister and brother-in-law, Anne and Cam Davis, in a family corporation. They farm 588 acres and milk 150 Holstein cows.

Charles E. Schilling has been a member of Atlantic's board since 1976. In addition to being re-elected the District 12 director, Schilling was named second vice president. He and his wife, Sandy, are in partnership with their son, Curtis. They farm 460 acres and milk 160 Holstein cows. Schilling represents members in Huntingdon, Centre, Clearfield and Mifflin counties.

L. Elmer Vickers, the District 17 director since 1975, represents members in Western Maryland,

The newest High Ridge 4-Her finds pigs comfortable creatures and not very demanding. Besides, they don't complain if you use their warm, chubby bodies for a resting place.

"You don't have to do a lot of work with them," says Gabe. "At the county fair, when I'm tired after I do all the work, I can lay on

Virginia and West Virginia. Vickers and his wife, Mary Catherine, are in partnership with their sons, Lawrence and John. They milk 150 Holstein and Jersey cows and farm 404 acres.

David N. Noss was elected to his fourth term as director of District 18, which covers Perry, Mifflin, Juniata, Snyder and Franklin counties. He and his wife, Sharon, are in partner ship with his brother, Larry Noss. They milk 60 Holstein cows and farm 230 acres.

Members of Atlantic's board of directors are elected to a three-year term, commencing at the annual meeting.

Atlantic Dairy Cooperative represents more than 3,800 dairy farm families in Pennsylvania, New York, New Jersey, Delaware, Maryland, Virginia and West Virginia. In fiscal 1995, the cooperative marketed 4.54 billion pounds of milk and earned a net margin of \$4.3 million.

The busy kids have certainly found a kindred spirit in their foster brother, Terry. He's older than they and pitches in to help wherever help is needed. "Terry does a lot of work around the place," they agreed.

One thing's for sure. The homestead may resemble Old MacDonald's Farm on a normal day, but when MacDonald and his show take off for Harrisburg, the remaining barnyard set will undoubtedly suffer pangs of homesickness for their counterparts.

Heidi Svonavec enjoys lambs and will take her lamb and a pig to the Farm Show.

Please stay with the auction system. We are still working as hard as we can for you.

Remember, there is only 100% of the tobacco offered. What will the buyer do to get more tobacco?

- 1 - raise the price at auction, or
- 2 - buy on the farm

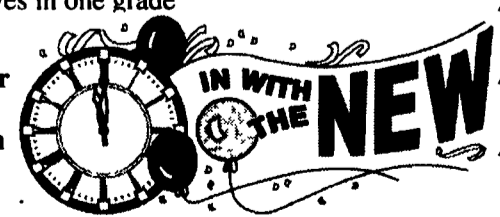

If the buyer buys on the farm he will tell the farmer that there's no commission to warehouse and that his price will be the same as at the auction. **But, what will the on-farm buyer pay for low grade?** If the buyer docks you on a 800 lb. skid - it could pay the commission for your whole crop selling at auction.

We like all buyers to buy at auction - we need your tobacco.

Please color grade

- Put bright tobacco in one grade
- Put tips in one grade
- Put ground leaves in one grade

Thank you farmers for your good workmanship in 1995 — one pretty crop!
