**MF 3120T 2/4WD Tractor**

**MASSEY-FERGUSON**

Open platform version of the MF 3120T provides a value-priced alternative when a cab is not essential.

**Open platform model now available.**

Open platform configuration offers an unobstructed view of work areas to the front, sides and front axle area. Semi-flat floor deck provides plenty of leg room both under the pedals and between the seat and dash column. Deluxe spring suspension seat is vinyl covered to resist the elements. Seat adjusts six different ways to suit operator's needs. FOPS sun shade protecting the operator from the sun's heat and falling material, is standard equipment on the open platform model 3120T. Grab handles and nonskid steps aid in getting on and off the tractor.

**Cab model provides comfort and convenience.**

Quiet, comfortable cab holds sound levels to the mid-70 dBA range, among the quietest in the industry. Two-door cab entry ensures easy access from either side. Select from a pneumatic swivel seat or a wide, fixed pneumatic seat, to provide you with the comfort demanded by farmers spending long hours in the field.
