Feel More Secure

Lancaster's totally new concept in Silo Safety Ladders helps you feel more secure when climbing yourself or watching from the ground.

Details count when you're high off the ground. Now Lancaster, the most trusted name in silo equipment, presents the most advanced Silo Safety Ladder System available today.

We've built in extra knee room for easier climbing. Our ladder rungs are smooth to the hand, yet give shoes a sure grip. And our platforms feel more solid under your feet than any you've ever had before.

UNMATCHED DURABILITY

No other silo safety ladder system is built like a Lancaster. All components are solid steel. No light gauge metal here. Our hot dip galvanizing gives you rust protection typically rated for more than 45 years. Rungs are secured with stainless steel rivets. And it's all connected with heavy duty, double coated Grade 5 bolts.

A BETTER PLATFORM

You'll like the sturdier, roomier platform. It latches and unlatches with just a flick of your foot so you can keep a better hand grip. We test loaded the platform at 1500 lbs. That means added stability as you work - moving, leaning, or lifting.

FITS ANY SILO

The new Lancaster Silo Safety Ladder System fits new or used silos, stave or poured. Or you can get just the cage to fit over existing ladders.

Feel safer yourself, and more confident in the safety of your workers.

Contact your local Lancaster Level-Flo dealer today.

LEHIGH VALLEY FUTURES INC.
Commerce Plaza, Suite 249, 5000 Tilghman Street, Allentown, Pa 18104

The risk of loss in trading futures and options on futures can be substantial. Futures and options trading may not be suitable for everyone. You should carefully consider the risks in light of your financial condition in deciding whether to trade.

WILL THE IRS INHERIT YOUR ESTATE?

We can help you control the cost of your estate. It's that easy.

New York Life's Survivorship Whole Life policy was created to provide you and your spouse with life insurance coverage, and needed liquidity, when your estate taxes are due.

It works like this: When one spouse dies, the resulting estate tax can be deferred until after the death of the surviving spouse. At that time, the policy's proceeds become available, and can be used to help pay the usually heavy estate tax. In other words, New York Life makes the proceeds available when they're needed the most.

You've worked hard all of your life, and shouldn't have to spend time worrying about what will happen to your estate. Call us for all the details and let us show you why New York Life is The Company You Keep.
