**Cut stall clean-out time by 50% with  
a Millcreek Compact Spreader.**

"The spreading efficiency sure outweighs the price.  
This is a wonderful machine. I couldn't be more pleased."

Say "Good-Bye" to back-breaking  
manure handling and cut stall clean-out  
time in half. Hook an affordable  
Millcreek Compact Spreader to your  
10 hp garden tractor, take it right to  
the stall for easy loading. No more  
wheelbarrow.  
**Millcreek Spreaders last and last**  
Since spreaders are our  
specialty, we put more  
into each one. For  
example our 20-year guaranteed floor  
will never rust or rot. Positive chain  
drive provides excellent spreading  
action. And tough steel construction  
holds up to rugged farm use. Seven  
sizes, for 1-horse barns to 50-horse  
stables. PTO and ground drive models  
available.

The Millcreek Model 25 is ideal for 1 to 4 horses.  
Six larger sizes also available.
