

*Happy
25th
Anniversary!*

Paul and Mary Sauder, shown with son Jason, of Lancaster have been farming with the Harvestore® System for 25 years. Coincidentally, this year they celebrate their 25th wedding anniversary. When asked why he purchased his most recent Harvestore structure - a 20x90 for corn silage - Paul replied, "Consistent and reliable forage quality, along with ease and convenience."

The results you may achieve with your Harvestore® System depends primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location. Harvestore is a registered trademark of A.O. Smith Harvestore Products, Inc.
