

# CUT HAY THE DISC WAY!

- **High speed discs** - Each disc has two knives to slice through the toughest crops and conditions; the disc gear drive operates in an oil bath for long life.
- **Sturdy frame** - Cradles the cutterbar for extra protection and durability.
- **540 or 1,000 rpm driveline** with equal-angle hitch for smooth power transfer.
- **Standard hydraulic tongue** - Makes it easy to position the unit without leaving the tractor seat.
