NO. 1 SPREADER

MADE FOR HARD WORK AND HEAVY LOADS

The choice of farmers in North America year after year, New Holland box spreaders can be counted on to do the heavy work that can't wait. The Model 145 hauls up to 177 bushels of material, on one load. The rugged A-frame hitch carries the load safely from below and does not pull it from the front.

Of course, the sides and floor boards will be replaced free for 12 years, if they fail. And only your New Holland dealer can offer this Bonded Protection.

NEW HOLLAND

STEADY PERFORMANCE

ON THE JOB DAY-IN, DAY-OUT

New Holland grinder-mixers work hard every day, providing the feeding efficiency you expect from the industry leader.

The rugged hammermill gives un-matched capacity. Thick plates welded to the 21-3/8" heavy-duty hammermill shaft support the hardened hammers making the mill strong, durable, and smooth-running.

The optional electronic scale more than pays for itself by weighing accurately for more feed efficiency.

Durability...that's why New Holland mills continue to be the market leader.
