

# Indiana County Receives New Technician

**DAVID A. BIGELOW**  
Training Coordinator

Florence Bowser of Penn Run recently joined the Pa. DHIA team serving the Indiana County area. Joining fellow technician Ken Smith, a 28-year veteran of Pa. DHIA, she will be responsible for servicing and providing herd management to dairymen.

Florence will have a circuit of 22 herds. Having graduated from Burrell High School and New Kensington Commercial School, she went on to be a licensed laboratory director and licensed sample

collector with the state Department of Agriculture and the former DER.

Through the partnership of the Quick Barnsheet Program and Westfalia Dairy Plan, Pa. DHIA technicians continue to provide same-day test reports along with filling-out calf books and tagging calves.

Pa. DHIA invites the dairy industry in welcoming Florence as a member of the team. If we can assist with your dairy operation, please feel free to contact PA DHIA at 1-800-344-8478.
