CAPACITY KING

THE BIGGEST

The New Holland Model 195 box spreader is up to your biggest spreading job.

- **Capacity.** The "195" takes on 410 bushels (440 cu. ft.) without flinching
- **Strong construction.** Corrosion-resistant steels last and last. And an HDPE floor means smooth unloading, even in cold weather.
- **Bonded Protection warranty.** If the polyethylene floor fails or the sides rust, we'll replace them free for 12 years.
- **Fast clean out...** even with this big-capacity strong box.
- **Large tandem oscillating wheels.** Allow faster ground speeds in rough terrain, with less ground compaction.

Check out our biggest New Holland Spreader from the biggest name in spreaders.

THE RELIABLE ONE

TOUGHER THAN THE REST

The New Holland Model L565 Super Boom™ skid-steer loader is tougher, more durable and more reliable than ever.

The "L565" offers a 40 horsepower diesel engine with an SAE load rating of a powerful 1,500 pounds.

The Pick Up 'n Go™ universal attachment system makes it compatible with New Holland and competitive attachments. The strong boom design and massive loader pins make it more reliable. And the quick engine access makes it easier to service.

See what makes the Super Boom so tough.
