FARM EQUIPMENT

## **TOUGHER THAN** THE REST

The New Holland Model L565 Super Boom™ skid-steer loader is tougher, more durable and more reliable than ever.

The "L.565" offers a 40 horsepower diesel engine with an SAE load rating of a powerful 1,500 pounds.

The Pick Up 'n Go<sup>TM</sup> universal attachment system makes it compatible with New Holland and competitive attachments. The strong boom design and massive loader pins make it more reliable. And the quick engine access makes it easier to service.

See what makes the Super Boom so tough.

# ON THE JOB DAY-IN, DAY-OUT

New Holland grinder-mixers work hard every day, providing the feeding efficiency you expect from the industry leader.

The rugged harmmermill gives un-matched capacity. Thick plates welded to the 21-3/8" heavy-duty hammermill shaft support the hardened hammers making the mill strong, durable, and smooth-running.

The optional electronic scale more than pays for ilself by weigning accurately for more feed efficiency.

Durability...that's why New Holland mills continue to be the market leader.
