OLD-FASHIONED CRUMB CAKES

5 cups flour
2 cups sugar
½ cup shortening
Mix together like pie crust.
Reserve ¼ cup flour crumbs for top. Add the following:
2 cups thick milk (Add 1 tablespoon lemon juice or vinegar per cup to milk)
2 teaspoons baking soda
Mix well. Pour into pie pans and bake at 350 degrees until toothpick comes out clear.

Great with coffee or breakfast. This is one of my mother's favorite recipes. As I was growing up I remember always having some sort of baked goods. My mother left me start cooking and baking at age 8. I still like to cook and bake. My mother is Mrs. Wilbur Miller of Manheim. My parents will celebrate their 50th anniversary this year. They still farm and milk cows. This recipe was handed down from my grandmother.

LEMON FLUFFY

1 small package lemon Jell-O
1 cup hot water
Juice of one lemon
½ lemon rind, grated
1 can evaporated milk, refrigerated
½ cup sugar
½ teaspoon vanilla
12 graham crackers, crumbled
Dissolve one small package lemon Jell-O in one cup of hot water. Add the lemon juice and rind. Refrigerate until it thickens to the consistency of syrup. Whip the chilled, canned milk. Add sugar and vanilla to milk. Mix together milk and Jell-O. Spread half of the graham crackers in the bottom of a dish. Pour mixture into dish and sprinkle crumbs on top. Refrigerate.

My mother-in-law taught me many things about cooking, canning, baking, candy making, flowers, and family. We share recipes often. This is her latest.

BARBECUED MEATBALLS

Preheat oven to 350 degrees. For meatballs, put in a bowl and mix well:
1 can evaporated milk
3 pounds ground beef
2 cups quick-cooking oats
2 eggs
1 cup chopped onion
½ teaspoon garlic powder
2 teaspoons salt
½ teaspoon pepper
2 teaspoons chili powder
For sauce, put in a separate bowl and mix well:
2 cups ketchup
1½ cups packed brown sugar
2 tablespoons liquid smoke
½ teaspoon garlic powder
½ cup chopped onion
Shape meatball mixture into balls. Place in a single layer in one or two 13x9x2-inch baking pans. Cover with sauce and bake for one hour. Makes 15 large meatballs or about 60 small ones.

Mom does a lot of cooking and baking for her hungry family. This is a recipe we all enjoy. With six girls in our family, Mom often has sewing to do. Thanks for all the other things you do too, Mom. Happy Mother's Day!

MOM'S FAVORITE PECAN CHEWS

½ pound caramels
2 tablespoons heavy cream
1½ cup pecan halves
Dipping chocolate
In a double boiler, melt the caramels and heavy cream over hot, not boiling water. Place together 2-3 pecan halves on a well-buttered pan. Put a glob of caramel on top, letting nuts stick out around the caramel. Put pans in the cold to harden. Then coat with chocolate. Makes about 40 pecan chews.

This is a delicious kind of candy and easy to make. My mother enjoys making it for Christmas or anytime.

APRICOT PUDDING

3-ounces apricot Jell-O or any flavor
3-ounces vanilla pudding
2½ cups water
Whipped cream topping
Mix together pudding and water. Bring to a boil, add Jell-O. Chill to partly set then beat in whipped cream topping.

These are some of favorite foods that my grandma Lydia Sensenig makes. Even though she is legally blind, she still makes these to share with us.

1 cup sugar
2 tablespoons butter
Mix together ingredients in a saucepan and simmer 2 minutes. Serve at once over ice cream or yellow cake.

This recipe comes from our Grandma Connie and is also dedicated to Grandma Sam, both of whom have "sweet teeth" and would rather garden than cook. Linnell & Serita Randall
