BUSH HOG

The Mulching Mower That Gives Something Back.

The Bush Hog MTH Series is available in 60 or 72-inch cutting widths with a counter-rotating spindle design that turns the blades in opposite directions. This gives you multiple cutting and finer shredding. These mowers are designed for areas where the turf is maintained on a regular basis - or anyone wanting a well-kept lawn. And the fine clippings return vital nutrients to the soil, fertilizing every time you mow!
