BEST UNLOADER ON THE MARKET FOR HAYLAGE!

Model 98C Gathering-chain Unloader Increases Blowing Capacity

Big blower handles high volumes. Four impeller blades adjust for close tolerance and efficient blowing. Stainless steel blower is available. Proven cutter-and-claw gathering chain provides high-volume delivery in frozen and hard packed silage. Fully automatic unloading because the 98C is self-propelled on the silage without cable support. No winch watching! Depth-of-cut control ensures high-volume delivery. Automatic self-leveling for uniform silage removal, saving trips up the silo. For 12 to 30 ft. silos. Patz financing offers affordable rates. Owners of Patz 61, 66, 98, 98A, and 98B unloaders: This bigger blower will fit your unloader. Ask for details.
