

From left, Willard Yoder, Sr., sons Joe and Will, Jr. and grandson Josh in front

The Willard Yoder family of Heron Run Farm, Huntingdon, PA, has been dairying with the Harvestore® System since 1974. Their most recent addition is an Atlas™ unloader in their 25x88 Harvestore structure. The Atlas unloads their forage at a rate of 450 lbs. per minute!

They're happy!

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location. Harvestore is a registered trademark of A.O. Smith Harvestore Products, Inc.
