

MORE CHOICES! BETTER ANSWERS!

Discover the simplicity and efficiency of KINZE 2000 Series Planters. The clean uncluttered toolbars. The wide variety of planting and fertilizer options. The ease of maintenance. The efficient mechanical technology of the KINZE® row unit and seed meters (Seed meters which precisely singulate corn, soybeans, milo and cotton with more accuracy and more dependability than any other metering systems in the field today.) The unique, patented push unit design which eliminates the cost and congestion of side-by-side units. The ability to fold, flex and adapt. Discover KINZE today, because the more you know about planters, the better you'll feel about KINZE. See your KINZE Dealer for details.

Top Productivity — Wet or Dry

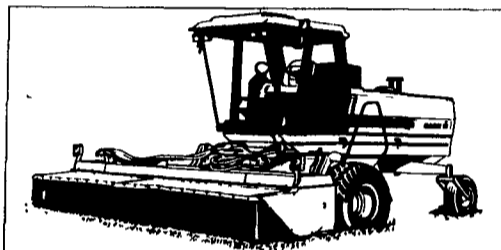

Case IH 8575 Mid-Size Center-Line Baler

- Heavy-duty construction for high capacity baling.
 - Consistent bale weight and density regardless of varying moisture conditions
 - Slow-speed, long-stroke plunger for smoother operation
 - Extra wide pick-up for increased capacity with less leaf loss
 - Large transport payload
 - Built to provide the dependability you require and expect.
 - Standard double-tie knotters for improved tying performance and less twine breakage
 - Deluxe electronic monitors to track baling functions
 - Optional bale ejector and roller chute for easy removal of high-moisture silage bales.
- And, you get more than a high-production baler. You can count on us for genuine, value-priced parts, professional and reliable service support, and flexible financing.

For increased baler productivity, see the 8575 baler at your Case IH dealer today!
