Dense Shell Won't Sag

New Idea bales won't sag like others.

- Fixed chamber design creates bale with dense shell that won't sag. New Idea bales keep their shape longer.
- Wide, endless belts handle leaf material carefully. More nutrient-rich leaves make it to the bale, fewer end up on the ground.
- Belt design is more reliable, with less downtime due to repair.
- Durable machine keeps working cutting after cutting, season after season
- Big, open throat lets you start bales easily with less plugging
- Three models available:

Model	Bale
4844	4' x 4'
4845	4' x 5'
4865	6' x 5'
