Even in silos that had been retired! But don't take our word for it. Here's what your neighbor has to say about their B.U.C.S. System!

### OWNER'S REPORT #51

"We have two B.U.C.S. unloaders and get more material into the silos with much faster unloading. And tests prove we have better quality feed. We have had no problems and feel these unloaders will have much lower maintenance and service costs."
