And...

MUELLER
DAIRY FARM EQUIPMENT

Scroll-Compressor Technology

New in 1994

You may pay less for some
dairy farm equipment...
but it can cost you more!

Equipment cost is
not the only cost of
cooling milk

In the long run, total operating costs of a Mueller milk-cooling system are generally substantially less than those of "bargain-brand" milk-cooling equipment.

Example	Mueller	Competition
Cost of equipment	\$51,000	\$28,000
Cost of electricity @ .08 kW for 12,000 lbs milk day for 10 years	\$17,550	\$22,850
Total operating cost for ten years	\$68,550	\$50,850
Savings	\$17,700	

Contact your Mueller distributor for further comparisons.
