HAYBINE MOWER-CONDITIONERS

**MAKE YOUR
BEST HAY**

Don't risk losing the nutritional value of your hay at harvest. Choose the proven leader in quality haymaking, the first and still the unchallenged leader - Haybine® mower-conditioners. It's made for tough crops, made to last, and made to keep all the quality you grow.

NEWHOLLAND

415 DISCBINE®

**WIDE CUT-
EVEN CONDITIONING**

You'll love the wide-cutting performance of the Model 415 Discbine® disc mower-conditioner. Seven discs make an 11-1/2-foot cut through your toughest crops. And with the New Holland torsion-bar roll-pressure system, you get consistent conditioning even in uneven crop conditions. Plus, roll pressure decreases automatically to let slugs pass through.

Stop in and see the big performance of the "415".
