B.U.C.S. OWNER'S REPORT #65

The Word Is Out!

The Jamesway Big Jim® B.U.C.S.™
(BOTTOM UNLOADING CONVERSION SYSTEM) is making big news!

Reports are coming in from B.U.C.S. owners everywhere. And they're reporting that their systems are delivering increased storage capacity, higher quality feed, faster unloading and reduced maintenance versus their old systems. Even in silos that had been retired! But don't take our word for it. Here's what your neighbor has to say about their B.U.C.S. System!

OWNER'S REPORT #65

"I saved money replacing my worn out bottom unloader with a Big Jim B.U.C.S. I like the trouble-free operation, auto fill, auto unload. The machine's distribution capacity and unloading volume is more than satisfactory."

Allen Reichley, Reichley Bros., Winfield, PA
Replaced Bottom Unloader in 20' x 60' Concrete Stave Silo.
