ROUND BALERS & MOWER CONDITIONERS
IN STOCK

Designed for Performance...and your checkbook, the Hesston 530 Round Baler is a convenient-size baler to be used with a 30 PTO horsepower tractor. This baler produces high-density bales weighing up to 550 pounds. The direct-feeding open throat and vertical bale chamber give you fast bale starts and easy operation. Dual tension arms maintain uniform bale density from the core to the outer shell. For round baler convenience and capacity, without needing more tractor power, take a look at the new Hesston 530

For the most flexibility, any other mower conditioner just won't cut it.

Mower conditioners priced too low to advertise

Round Balers Priced as low as \$7,600

Nobody knows hay like HESSTON
