B.U.C.S. OWNER'S REPORT #52

The Word Is Out!

- B.U.C.S.
Owner's Report**
- ✓ Increased Storage Capacity
 - ✓ Better Feed Quality
 - ✓ Faster Unloading
 - ✓ Lower Maintenance

The Jamesway Big Jim® B.U.C.S.™ (BOTTOM UNLOADING CONVERSION SYSTEM) is making big news!

Reports are coming in from B.U.C.S. owners everywhere. And they're reporting that their systems are delivering increased storage capacity, higher quality feed, faster unloading and reduced maintenance versus their old systems. Even in silos that had been retired! But don't take our word for it. Here's what your neighbor has to say about their B.U.C.S. System!

OWNER'S REPORT #52

"I like the big capacity way B.U.C.S. unloads. And with higher moisture haylage, we have better quality feed, with very low heat damage - test shows its 18% protein. Our operating costs are lower since it uses less electricity and it's easier to operate than a bottom unloader."

Ronald & Robert Adams, Adams Bros. Farms, Shoemakerville, PA
Replaced Bottom Unloader in 20' x 75' Poured Concrete Silo.

See your Jamesway® Silo Unloader Expert now. Find out how you can breathe new life into your silos with a Big Jim B.U.C.S. System from Jamesway!

May 2-4 at the Greenville Junior-Senior High School in Greenville.

Students from New York state attended the convention to compete in various leadership contests, receive degrees and awards, and to participate in many leadership workshops and tours.

Penn Yan FFA members who attended were Jen Disbrow, Matt Fritz, Billy Hand, Natalie Jensen, Matt Lewis, Emily Lilyea, Mike Lilyea, Jim McElwee, Andrew Miller, Muffy Nelson, Marcy Quackenbush, Karl Roemmelt, Aaron and Steve Vaughan.

The chapter members really did a good job of putting Penn Yan FFA on the map. The chapter had many first-time accomplishments and many members won at the state level.

One of the most exciting contests for the FFA members was the junior creed contest that Emily Lilyea competed in. Emily was the first person from Penn Yan to ever compete at state level in the junior creed contest. She took second place.

Marcy Quackenbush won the title reporter of the year for submitting numerous articles to many newspapers throughout the year. Marcy was Penn Yan's first-ever reporter of the year.

Another first was the FFA Convention Yearbook Award. Penn Yan FFA sold the most ads than any other chapter, and Karl Roemmelt won a trophy for being the highest selling individual.

Another exciting contest that members competed in was the ag mechanics team. Those that competed were Mike Lilyea, Andrew Miller, Karl Roemmelt, and Steve Vaughan. They placed first out of five teams. Contestants had to complete a written exam, and demonstrate solving and hands-on performance skills.

At the National FFA Convention in November, Penn Yan will be representing New York State and competing against many other states for the national title.

The Penn Yan FFA Chapter donates money each year to the State FFA Association. The chapter has contributed more than \$7,000 throughout the Penn Yan's FFA lifetime. The Penn Yan Chapter of FFA won the Bronze Eagle Award for lifetime contributions.

Another exciting part of the

convention was when Marcy Quackenbush was elected as the New York State FFA District 8 president. She has been the first district president that Penn Yan has had in a long time.

Five Penn Yan FFA members received individual accomplishment awards. The members were Matt Scutt, ag placement; Natalie Jensen, dairy management; Tim Christiansen, dairy production; Matt Fritz, forestry; and Karl Roemmelt, greenhouse management.

Mike Lilyea took second in the state for his Fruit and Vegetable Production Proficiency Award for his employment at his family farm. Marcy Quackenbush took third in the state for her Fruit and Vegetable Production Proficiency Award. Marcy's proficiency consisted of employment at C.M. Hansen's Farm. Marcy Quackenbush also took first in the state for her Small Animal Care Proficiency Award. Marcy is employed at the Eastview Veterinary Clinic. She will be representing New York state at the National Convention for her Small Animal Care Proficiency Award.

Marcy also played in the New York State FFA Band for her second year in a row. Last year she was Penn Yan's first FFA member to be a part of the State FFA Band.

Mike Lilyea won the District 8 Star Empire Degree for his Empire Degree application in the field of fruit and vegetable production. Marcy Quackenbush also won the District 8 Star Empire Degree for her empire degree application in the field of ag placement.

Jennifer Disbrow won a \$500 scholarship to Morrisville College for her involvement in the FFA and her work experience program.

Natalie Jensen placed first in the Dairy Breed Award. She has been Penn Yan's first Dairy Breed Award winner in many years.

The Penn Yan FFA had five recipients for the Empire Degree. This is the most Empire Degree winners that Penn Yan FFA has had at one time. The winners of the highest state degree were Jen Disbrow, ag placement; Jonna Egli, ag placement; Mike Lilyea, ag production; Andrew Miller, ag production; and Marcy Quackenbush, ag placement.

MAILBOX MARKET FOR SALE
