Correspondent

because she is sure to do a good job representing the county's busy dairy industry.

She knows exactly where her priorities must be.

"The most important thing I'll be doing will be promoting the dairy industry," Lehman said. "A lot of people don't know how important it is."

She knows first-hand how important it is and how important her job as the county's 29th dairy princess will be over the coming year.

Lehman's family no longer farms full time, but she keeps her hand in agriculture by continuing to raise two heifers, along with beef cattle and swine.

She said she has plans to make her career in the industry and hopes to prepare for that by studying agribusiness at either Delaware Valley College or Virginia Tech.

Lehman, who is the daughter of Carl and Mabel Lehman and a 1995 graduate of Cumberland Valley High School, is already kept plenty busy serving a term as treasurer of the Pennsylvania FFA.

The speech she gave during her coronation ceremony at the Embers Convention Center in Carlisle covered statistics on dairy farming in Pennsylvania and on the nutritional benefits of drinking milk, including the fact that it is a rich source of calcium.

For her presentation, she pretended to be the director of a health club to discuss the importance of drinking milk and how milk drinking combined with exercise equates to a healthy lifestyle.

Her brother, Tim, filled in the intermissions in the presentations with a musical program, so the coronation was truly a Lehman family affair.

The climax came when Lehman received the crown from the county's 1995-96 dairy princess, Lori Brownnewell.

The county dairy maids who will help Lehman during her year-long reign included two returnees from last year and two newcomers.

The veteran dairy maids are Rebecca Cornman, the daughter of Steve and Debbie Cornman of Carlisle, and Julie Fulton, the daughter of Robert and Rebecca Fulton of Shippensburg.

The first-time dairy maids are Heather Brown, the daughter of James and Vonda Brown of Mechanicsburg, and Amy Kulick, the daughter of James and Ann Kulick of Carlisle.

CARLISLE (Dauphin Co.) — Heather Lehman had at least one good reason for becoming Cumberland County's Dairy Princess for 1996-97.

Her brother asked her to do it, she said.

As it turned out, the 19-year-old Mechanicsburg woman ended up being the only contestant for this year's crown.

But that doesn't really matter

Cumberland County dairy maids are, from left, Heather Brown, Amy Kulick, Julie Fulton, and Rebecca Cornman.

Lori Brownnewell crowns her successor Cumberland County Dairy Princess Heather Lehman.

KUBOTA DEFIES THE LAW OF AVERAGES

Kubota engineers defied all the laws of "average" when they designed Kubota's Grand L and M-Series diesel tractors. Loaded with features, these versatile tractors can tackle your toughest farming tasks.

The 2WD and 4WD Grand L-Series generates 25 to 37 PTO horsepower in four compact, state-of-the-art models.

Shift-on-the-go with Kubota's Synchro-shuttle transmission, or choose a GST (Glide Shift Transmission) for 8 speed clutchless operation.

Kubota's M-Series increases your power with two models producing 42 to 50 PTO horsepower. The M-Series 4WD models incorporate Kubota's bevel gear drive for smooth, tight turns.

Both the Grand L and M-Series are powered by Kubota's low noise and vibration E-TVCS diesel engines. These easy maintenance diesels are lean on both fuel and emissions, and are also environmentally friendly. Independent rear PTO and hefty 3-point hitch is standard.

See your Kubota dealer today and let them show you why Kubota's Grand L and M-Series are not your "average" tractor!

Kubota Tractor Corporation markets a full line of tractors through a nationwide network of over 1,000 dealers. Financing is available through Kubota Credit Corporation.

WILL THE IRS INHERIT YOUR ESTATE?

We can help prevent the loss of your estate due to taxes.

New York Life's Survivorship Whole Life policy was created to provide you and your spouse with life insurance coverage, and needed liquidity, when your estate taxes are due.

It works like this: When one spouse dies, the resulting estate tax can be deferred until after the death of the surviving spouse. At that time, the policy's proceeds become available, and can be used to help pay the usually heavy estate tax. In other words, New York Life makes the proceeds available when they're needed the most.

You've worked hard all of your life, and shouldn't have to spend time worrying about what will happen to your estate. Call us for all the details and let us show you why New York Life is The Company You Keep.
