

HENDERSHOT FARMS

Earl and Carol Hendershot farm this new Dairy of Distinction located near Warfordsburg in southern Fulton County. The farm has 239 acres to feed their 65 milking cows and young stock. The cows are housed in a freestall barn and milked in a three year-old milking parlor. They grind their own feed, and it is dispensed through the new computer feeder. In addition to Earl and Carol's two children, Sara 15, and Andrew 13, their nephew Derek Hendershot works on the farm. And Stella Hendershot, Earl's mother who is 80 years-old still helps out where needed too.

MAR-R FARM

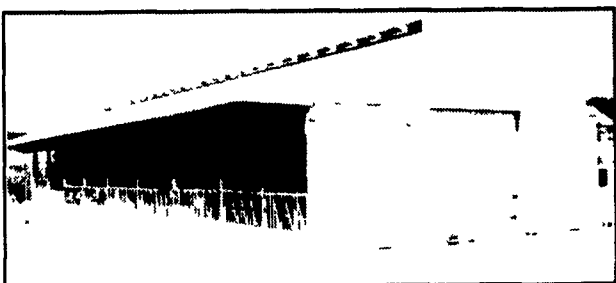

Marvin and Ruth Stoltzfus farm 65 acres in Lancaster County near Leola where they milk 54 mostly registered Holsteins. Their herd average is 25,500 lbs. of milk, and they have quite a number of records over 30,000m. The farm has been in the family 60 years. They milk in a tie stall barn and have cow mattresses and tunnel ventilation which Marvin thinks is very important for cow comfort. Marvin and Ruth have four children, Kendall 8, Krisa 6, Kala 3, and Krystalyn 1.
