

LATUCH BROTHERS DAIRY FARMS

The partnership of Ted Latuch and nephews Roger and David Latuch gives this new Dairy of Distinction in Somerset County varied talents and interests around the farm so they can give good overall management to the operation. They farm 500 acres near Rockwood, and the farm has been in the family since 1951. The herd average is 21,500m 892f 736p. They have been selling embryos and bulls from deep pedigreed cow families as part of their merchandising efforts. They look to good business management as part of their operation.

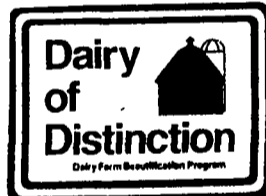

BEEGHLY BROTHERS HILLVALE FARMS

Brothers Brian and Blake Beeghly are in partnership with this new Dairy of Distinction, located near Somerset. They milk 210 Holsteins and have 90 helpers and calves. Herd average is 19,000 lbs. of milk. Another off-farm business gives the brothers a perspective that requires that they look at efficiency as the major need in the farming operation. They do forage analysis every two weeks and change the feeding rations accordingly. Brian also listed having good employees as a major need in the dairy operation. Brian and Blake are the third generation on the farm.
