**Cut corners on the New Zebra Tractors**

The Zebra Tractor Model 2522 is a real tractor scaled down in size, but not in power. Its 25 HP 2 cylinder engine like its big brother the 3522, handles chores a traditional full-size 2 wheel drive tractor handles. For a fraction of the cost. In a fraction of the space.

Zebra tractor model 3522 delivers 35 HP with its 3 cylinder, 143 cu. in. diesel, water-cooled, wet sleeve engine. No toy, this rugged tractor only drives like a sports car.

The 45 HP model 4522 is the Big-boy of the Zebra line of tractors. If the 2522 and 3522 ride like convertibles the 4522 is like a chauffeured limousine, with you at the wheel. So dress for the part, the neighbors are watching.

Large ZETOR Tractors Available from 46 to 103 HP

All Zebra compact tractors are sold and serviced by Zetor Tractors, a division of American Jawa Ltd

What a spunky little work horse! by ZETOR

7301 Allentown Blvd., Harrisburg, PA 17112 (717) 540-5618
