*You Rise Up Early When You Live On A Farm. The Chores are all waiting as you enter the barn. Soon you will leave and go into the house, your breakfast is waiting, made by your spouse. Now before you go out, I have something to say.*

*I was cleaning upstairs, the other day. Some won't go up, others just fall down, you can feel the cold air blowing all around. Look at these windows, how easy to clean, a house full of these would fulfill my dream. Why don't we call them, they look so nice there is no charge for giving a price.*
