Rural Economy

Cost-efficient Centurydrain™ roofing and siding is on some of the best looking buildings in the country. Build with Centurydrain roofing and siding and you've built a money-wise structure. Full-hard, high tensile galvanized steel, and an exclusive drain channel for a dry interior give you a building that'll handle years of hard duty and hard weather. Good looking, too. Crisp lines and plenty of bright, long-lasting colors make Wheeling Centurydrain as handsome as it is economical.

You Rise Up Early When You Live On A Farm. The Chores are all waiting as you enter the barn. Soon you will leave and go into the house, your breakfast is waiting, made by your spouse. Now before you go out, I have something to say.

I was cleaning upstairs, the other day. Some won't go up, others just fall down, you can feel the cold air blowing all around. Look at these windows, how easy to clean, a house full of these would fulfill my dream. Why don't we call them, they look so nice there is no charge for giving a price.

That's Right, Call Sensenig Today.
