A tradition of trust.

The interest rates and the Annual Percentage Yield (APY) are as of 10/1/96 and are subject to availability and change. A minimum deposit of \$1,000 is required. In most cases, early withdrawal may not be permitted; however, CDs can be liquidated in the secondary market subject to market conditions. APY may reflect a current market discount. The distribution of interest is required; therefore, interest paid will no longer be part of the CD. CDs may be issued by out-of-state institutions.
