Top Productivity - Wet or Dry

Case IH 8575 Mid-Size Center-Line Baler

Heavy-duty construction for high capacity baling.

- Consistent bale weight and density regardless of varying moisture conditions
- Slow-speed, long-stroke plunger for smoother operation
- Extra wide pick-up for increased capacity with less leaf loss
- Large transport payload
- Built to provide the dependability you require and expect.
- Standard double-tie knotters for improved tying performance and less twine breakage
- Deluxe electronic monitors to track baling functions
- Optional bale ejector and roller chute for easy removal of high-moisture silage bales.

And, you get more than a high-production baler. You can count on us for genuine, value-priced parts, professional and reliable service support, and flexible financing.

For increased baler productivity, see the 8575 baler at your Case IH Dealer today!
