

Four-H Salutes Sara Strickler

(Continued from Page B3)

society.

Thousands of programs serve diverse groups of youth across the nation. In the 4-H clubs, young people learn entrepreneurship, self-sufficiency, nutrition, agriculture, community development, and leadership development.

Participants say that 4-H develops self-worth, independence, problem solving, and responsibility.

She has her sights set on Delaware Valley College, where she plans to study animal science or agricultural education.

The National 4-H Council is a not-for-profit educational organization that partners with the cooperative extension to build partnerships for community youth development that value and involve youth in solving issues critical to their lives, families, and

Four-H is a family affair for the Strickler family. Seated is Amy, mother Dottie, and Sara Strickler.

The One Spreader Big Enough For Poultry Litter, Rugged Enough For Lime.

The Stoltzfus Poultry Litter

Spreader is specifically designed for the demands of this challenging job. The 20 foot hopper holds a whopping 400 cubic foot load, meaning fewer trips for you. The big 30-inch drag chain moves large volumes of litter fast. And the dual hydraulic spinners spread a wide, uniform pattern up to 40 feet wide.

But its real beauty may be its versatility. Now you can spread fertilizer, stockpiled lime, compost, poultry litter and more, all with one machine.

Long considered "top-of-the-line"

ag spreaders, many Stoltzfus Spreaders are still in use after 20 years. That makes a Stoltzfus Spreader preferred not only for quality and performance, but also for terrific economy in the long run.

Sure you can settle for buying on initial price alone. But with a Stoltzfus Spreader you won't be shopping for another spreader just a couple years down the line.

Call today for free information.

- Hydraulic spinners
- PTO-powered chain
- Spread stockpiled lime
- Walking beam suspension
- 4 sizes to choose from
- Truck-mounted models available
