NEW HOLLAND DOES IT ALL

NEW HOLLAND SPREADERS 12-YEAR PROTECTION PLAN

Most guarantees last only as long as the original owner. But New Holland Bonded Protection means our entire line of box spreaders is guaranteed not just to the first owner, but to all future owners.

Bonded Protection covers every box spreader's floor and sides for twelve years. If a floorboard fails for any reason

during normal use, or the sides rust through, we'll replace them free.

Choose from seven models, with 161- to 440-cubic-foot (heaped, double-beater) capacities.

Bonded Protection...only on New Holland box spreaders.

New Holland side-delivery spreaders let you spread slurry, semi-solid and gutter manure from barn cleaners with ease...even poultry litter. The hydraulic expeller door and the three-segment expeller let you spread a wide, even pattern. The handy bottom cleanout door drains the tank quickly and completely.

Choose from three models, all with tanks protected by a 12-year rust-through warranty...the best in the industry.
