NO. 1 SPREADER

MADE FOR HARD WORK AND HEAVY LOADS

The choice of farmers in North America year after year, New Holland box spreaders can be counted on to do the heavy work that can't wait.

The model 145 hauls up to 177 bushels of material, while the Model 155 can handle up to 217 bushels on one load. The rugged A-frame hitch carries the load safely from below and does not pull it from the front.

Of course, the sides and floor boards will be replaced free for 12 years, if they fail. And only your New Holland dealer can offer this Bonded Protection.
