**When you need to purchase real estate,
we'll be there... generation after generation.**

Before you purchase real estate, talk to Farm Credit. As a cooperative owned by the people who use us, we have served the needs of rural Americans for generations. In fact, for over 75 years we have been a dependable source of credit to agriculture.

We make loans at competitive interest rates for all kinds of purposes. Our loan officers are knowledgeable and can help tailor a financial package to fit your situation.

So, whether you are a commercial operator, a part-time farmer or simply like living in the country, we want to do business with you.

And we'll be there for future generations.
