Belarus

2011 2WD ROPS
2000 SERIES TRACTORS
2045 4WD ROPS

DOUBLE THE BELARUS VALUE.

Even the smallest of jobs has to be done right. That's why our tough new 2000 Series tractors are built with the same durability, value and affordability you expect from Belarus.

Choose from two versatile models: the 2011 or the 2045, each with 540/1000 PTO and Category I three-point hitch. Add the strength of the hard-working 22 hp fuel efficient 2-cylinder, air-cooled diesel, and you have the small-tractor engine that's big on performance. And that makes the 2011 and 2045 tractors ideal for everything from lawn and garden work to small acreage applications.

But that's not all. The 2000 Series is available with two-wheel (2011) or four-wheel (2045) rugged traction. Additional features include the ease of power-assisted steering and a solid transmission with 18 forward and eight reverse speeds. Add them all up, and you've got the series that see small projects through from start to finish. So get a good day's work done - the Belarus way.
