Gentle GIANT.

When it comes to performance, the MF[®] 8570 Rotary combine is an absolute giant.

Its patented rotor system lets you harvest circles around other combines of comparable capacity. Yet it produces outstanding sample quality with extraordinarily little grain damage. One reason is its simplicity of design, with far fewer augers, conveyors, and other moving parts than other combines.

Stop in today and find out more about the amazing MF 8570 combine.
