Dairylea's milk marketing network stretches from Maine to Ohio to Maryland, providing a market for your milk and competitive prices. But that's not all, because there's value added too.

In addition to paying our farmer members an average premium of 30 cents per hundredweight, no one else can offer the wide array of programs and services available exclusively from Dairylea. We focus our efforts on developing resources that can help generate more revenue or achieve real cost savings for you. With our help, the average farmer can also save up to 40 cents per hundredweight.
