Prime Time Producer

Case IH 8840 Self-Propelled Windrower

Big on power and capacity

- New heavy-duty auger fighting and auger tubing for outstanding header reliability
- Proven 98-horsepower Case IH diesel engine
- Double-sickle dual-auger heads for gentle hay handling and minimum leaf loss
- Hydraulic vertical and radial flotation maintains even cutting height
- Automatic roll separation system for consistent crop flow without plugging

Operator comfort and control

- Deluxe air-conditioned cab with fully adjustable air-ride seat
- Conveniently located controls for on-the-go adjustments
- Choose from a wide range of options

And you get more than just a high-capacity windrower. We are committed to providing you with genuine Case IH parts, professional and reliable service support and flexible financing

Designed, tested and manufactured by Case IH at its Hesston, Kansas facility

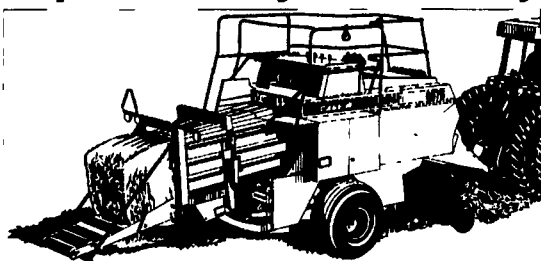

To see the best in hay and forage equipment, stop by today!

Top Productivity — Wet or Dry

Case IH 8575 Mid-Size Center-Line Baler

Heavy-duty construction for high-capacity baling

- Consistent bale weight and density regardless of varying moisture conditions
- Slow speed long-stroke plunger for smoother operation
- Extra wide pick up for increased capacity with less leaf loss
- Maximize transport payload with the 31 5" x 34 4" bale size

Built to provide the dependability you require and expect

- Standard double-be knotters for less hane breakage and improved tying performance over single-knitter systems
- Deluxe electronic monitors to track baling functions
- Optional bale ejector and roller chute for easy removal of high moisture silage bales
- Add the 8575 accumulator for even greater productivity

And you get more than a high production baler. You can count on us for genuine, value priced parts, professional and reliable service support and flexible financing

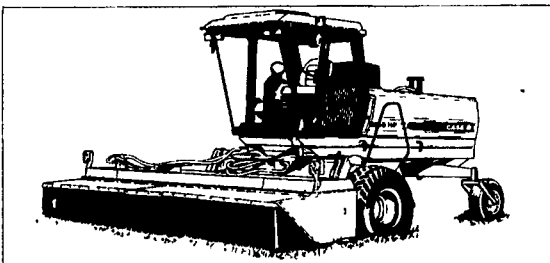

See the 8575 baler at your Case IH dealer today!

The Cutting Edge

Case IH 8850HP Self-Propelled Windrower

New standards for high-volume hay producers

- First of its kind self-propelled rotary disc machine
- Proven reliable 152 HP six-cylinder Case IH diesel engine
- 153" non-stop cutting in the toughest crops
- Up to 40% higher ground speeds means more acres per hour
- Optional auger header kit allows for an 8840 auger header to be mounted

Convenient, easy to operate

- Deluxe cab for the ultimate in operator comfort
- Conveniently located controls for on-the-go adjustments
- Unobstructed view for increased maneuverability and full header visibility
- Designed for easy maintenance and serviceability

We are committed to providing you with professional, reliable parts and service support and flexible financing

For maximum productivity in heavy crop conditions, see the 8850 windrower today!
