Cut stall clean-out time by 50% with a Millcreek Compact Spreader.

"The spreading efficiency sure outweighs the price. This is a wonderful machine. I couldn't be more pleased."
 EARL SINKS - Brock, Texas

Say "Good-Bye" to back-breaking manure handling and cut stall clean-out time in half. Hook an affordable Millcreek Compact Spreader to your 10 hp garden tractor, take it right to the stall for easy loading. No more wheelbarrow.

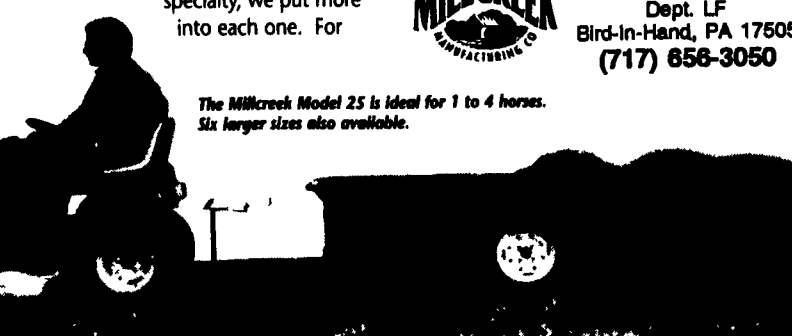

Millcreek Spreaders last and last

Since spreaders are our specialty, we put more into each one. For example our 20-year guaranteed floor will never rust or rot. Positive chain drive provides excellent spreading action. And tough steel construction holds up to rugged farm use. Seven sizes, for 1-horse barns to 50-horse stables. PTO and ground drive models available.
