

# Grain and Livestock BODIES

Greater Capacity, Less Cost... A full 96" Wide

Omaha Standard truck bodies and hoists are built tough to work harder and last longer. That's been our reputation for more than 65 years. Dependable, rugged truck bodies and hoists that do the job day-in and day-out. Whether it's grain handling, livestock hauling or both, you'll appreciate the quality and honest value we've designed into each Omaha Standard body and hoist.

- One-piece roll formed steel sides with built-in tarp rail. Available in 40" and 52" extra capacity heights. All with maximum corrugation for maximum strength.
- The toughest platform in the business - wood, smooth steel, treadplate or steel over wood.

- "Clean Flow" Stakeless Steel Grain Bodies in 52", 60" and 72" heights also available.
- Fourteen conversion hoist models - scissor or stabilized "Olympic" telescopic.

**Omaha Standard... We Create Value**
