Customer Comments

- **FORAGE BOXES** I would not own another brand forage box-built & designed for strength - the most smooth unloading box I have ever seen - simple to replace variable speed belt when needed.
 - **V-TWIN SPREADERS** I've had other brand spreaders that would jam up with pen packed manure. No problems with this H&S spreader. Excellent unit for topdressing pen packed manure after cuttings of hay. Come back next cutting & you never knew you hauled manure on the field. It just rips it to shreds.
 - **BOX-TYPE SPREADERS** Full length frame - no pulling off of the box. T-Rod chain - it is the heavy weight of box-type spreader.
 - **BI-FOLD RAKES** I never raked so fast in my life - Really gentle on the hay, well built unit - I would not want to do a cutting of hay without it.
- JUST RECEIVED *2 more forage boxes on 12 ton gears
1 - USED DION 16' w/roof on 10 Ton Gear
