OUR NEW POWER PACK™ UNLOADER LOOKS ABOUT LIKE ANY OTHER SURFACE DRIVE UNLOADER.

BUT LOOKS ARE DECEIVING! HERE'S WHY:

- **Longer Wear** Acid and abrasion resistant stainless steel impeller paddles will last much longer than low-carbon steel paddles
- **More capacity.** New 1/4, 20° forward-pitched roughage auger flighting design assures greater capacity and less wear
- **More convenience** Easier to raise for refilling. You don't have to drag Power Pack drive wheels into its raise position, you roll them—easily
- **Attention to detail** From chipper wheels to auger knives, we made everything better. And we added a remote start/stop control as standard equipment

So, take a close look at Power Pack™ It's a lot better in a lot of ways!

Built to last, priced to sell.

Move 'Em Out!

NEW! Cen-Trak™

Power Drive Unloader

Meet Cen-Trak! The new and better concept in single-cable unloaders. Simple, dependable power drive design eliminates the problems of other high-torque, center-drive machines. See your Starline Dealer for literature and pricing!
