BLIZZARD RELIEF '98

Clear snow fast, effectively with a Loftness snowblower

Heavy snowstorms can turn parking lots and driveways into treacherous tundras. Unless, of course, you have a Loftness snowblower attached to your New Holland Super Boom™ skid-steer loader. This is one hearty snowblower that chews up all the snowflakes that winter can dish out.

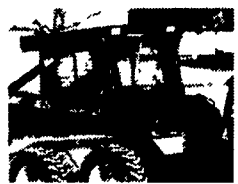

Winter meets its match with Snow Wolf snow plow

When the snow starts to pile up, you need a plow that can push it out of the way fast. That's why you should hook up to a Snow Wolf snow plow to your New Holland Super Boom™ skid-steer loader. The Snow Wolf is rugged and dependable enough to keep a clear path all winter long.

Sweep away dirt, debris or snow with a Sweepster Broom

Power sweepers are multi-purpose four season, clean-up machines. Clean snow all Winter from streets, driveways and building entrances. In the Spring, keep your sweeper busy removing debris from intersections and roadsides. Remove thatch and get turf areas in shape for the Summer growing season. Sweep gravel, sand and trash from bridges, parking lots and sidewalks. In the Fall, sweep up leaves and pine needles before the snow flies.

Cab Enclosure

Reduce the amount of noise, dust and weather in your cab with an enclosure. Includes sliding side windows, front door and windshield wiper/washer. When used with the block heater, it's perfect for winter use.

\$50.00 Off Skid Steer Loader Cab Enclosure Kits and Heater Kits Until Nov. 13
* Older Models may not apply - Call for details

Heater/Defroster

Keep warm and have a clear view of your work all winter. Used in conjunction with cab enclosure kit and floor cover plates.
