Nothing Works Like A Silo **Sollenberger Silos Corp.**

"Something Old"
1915
Poured concrete silos...
since 1908

"Something New"

For the 90's... and we continue to grow, and expand our products, and coverage area

Tower silos now to hold up to 5000 tons of forage. But we still build a lot of 16', 18', 20', and 24' diameter silos.

1997 was one of the best years in our long history. Many thanks to our old and new customers, and we have several silos sold already for 1998. Give us a call to reserve your place on our schedule.

Silos for silage, haylage, hi-moisture corn. Top unloading and bottom unloading.

Remember, if your need a silo...you need to call Bob Francis. 717-262-2907

MEMBER: International Silo Association/PA Forage and Grassland Council/AM Society of Agricultural Engineers/Crop Storage Institute.

JAMESWAY DIRECT X-PRESS SYSTEM

NEW BELT FEEDERS & CONVEYORS

Big Capacity Delivery With All The Advantages Of Dependable, Efficient, Low Profile Direct Drive Design!

That's what farmers really appreciate about the new Jamesway family of Direct-X-Press Feeders and Conveyors. All models feature a dependable and efficient heavy duty industrial drive with enclosed oil bath and standard 1, 2 or 3 HP C-laced motors. Our direct drive design eliminates pulleys, jackshafts, sprockets, chains, V-belts and shields. The low profile motor and drive can be mounted on either side for added installation versatility.

Please See Our Ad On Barn Cleaner Chain, Section B Page 21!

YOU JUST CAN'T MATCH

OUR MIX TMR Ruffage Master

These new Oswalt four auger Model 200, 250 mixers are designed to process and mix all types of hard feed into a fully blended TMR - better than anyone! The aggressive notched 20" diameter full pitch four auger mixing pattern dual shear shell design

and exclusive self-lubricating lift guide liners help feed materials flow more freely, reducing horsepower requirements and virtually eliminating material hang ups and dead spots. The end result: A better quality of mix! See your Oswalt Dealer today!
