Prices were higher. The market tone was fully steady to firm with whole egg and yolks in the strongest position. Demand was mostly moderate. Floor stocks were about adequate with yolks in the tightest position. Liquid and frozen eggs (ingredients included) processed under federal inspection in the Eastern region for the week ending November 08, 1997 were 3% less than last week, and 3% less than the same week last year. Raw material supplies were tight to adequate, and prices continued to increase.
