The One Spreader or Slurry That Will Do The Work of 2. Pen Packed or Slurry is not a Problem. Give Us A Call!

Hear what your neighbors have to say!

"Being poultry farmers, we need a spreader that spreads evenly and thin. We also want a spreader that spreads fast. Our Knight 8030 ProTwin Slinger does this. No spreader we have had has ever spread as wide and as even as these spreaders. The 8030 pull spreader works so well, we also purchased a truck mounted 8030."
