

# THE BIG ONE

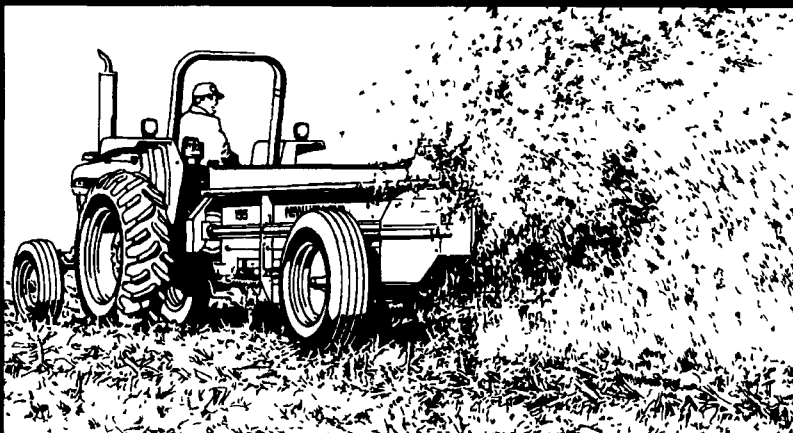

## HEAVYWEIGHT CHAMP

There's a skid-steer champ and its name is the Model L865 New Holland Super Boom™. The L865 is built tough all around so it's the most durable, reliable and powerful machine on the market.

It has a 60-horsepower, turbocharged diesel engine for the ultimate in power. And it has a massive 2,200-lb. operating load to pick up where all others leave off. Of course, it has the features you expect from New Holland, such as the best speed, stability, visibility, lift height and dump reach in the industry. Add that to the Pick Up 'n Go™ universal attachment system and there's nothing it can't handle. Stop by today and put the champ to work on your farm.

## NO. 1 SPREADER

## MADE FOR HARD WORK AND HEAVY LOADS

The choice of farmers in North America year after year. New Holland box spreaders can be counted on to do the heavy work that can't wait.

The Model 155 can handle up to 217 bushels on one load. The rugged A-frame hitch carries the load safely from below and does not pull it from the front.

Of course, you'll get sides and floor boards FREE for 12 years, if they fail. And only your New Holland dealer can offer this Bonded Protection.
